(February, 2016). *Performance validity assessment of bona fide and malingered traumatic brain injury using novel eye-tracking system.* Presented at the Meeting of the International Neuropsychological Society, Boston, MA.

10. Wong, C. G., **Krohner, S**., & Rapport, L. J. (November, 2015). *Equivalence of the semantic clusters in the HVLT-R alternate forms*. Presented at the 68th Annual Scientific Meeting of The Gerontological Society of America, Orlando, FL.

RESEARCH TRAINING

8/2016 – current **Stress and Health Lab**
Department of Psychology, Wayne State University, Detroit, MI
Graduate Research Assistant
PI: Mark Lumley, Ph.D.

Research focused on developing and testing emotion-focused interventions to reduce emotional and relational distress and improve health. Conducted a randomized clinical trial of a brief, psychodynamic intervention for adults with chronic musculoskeletal pain and childhood adversity (anticipated $N = 100$) (doctoral dissertation). Led a research team training graduate level therapists on intervention protocol, preparing study materials and IRB documents, recruiting participants, and collecting and analyzing data. Trained to deliver Emotional Awareness and Expression Therapy (EAET) and mindfulness meditation therapy to participants with anxiety and somatic symptoms, and engaged in supervision for a randomized clinical trial (PIs: Doherty, Lumley). Trained to administer sexual health interviews to participants who were Arab American women, and engaged in supervision for a randomized controlled trial (PIs: Holmes, Lumley). Identified emotional processes during psychotherapy that predicted pain improvement for women with chronic urogenital pain ($N = 36$) (master's thesis)

08/2019 – 03/2020 **Center for Forensic Psychiatry**
Saline, MI
Project Coordinator
PI: Nicole Kletzka, Ph.D.

Contributed to an archival study evaluating direct community placement outcomes for individuals who have a Not Guilty by Reason of Insanity status. Contributed to developing a pilot study on a skills training program for hospital staff (PI: Kletzka). Prepared study materials and IRB

documents, assisted in data collection and database management.

09/2017 – 09/2018 **Research Group on Homelessness and Poverty**
Department of Psychology, Wayne State University, Detroit, MI
PI: Paul Toro, Ph.D.

Trained to conduct structured interviews on psychosocial history, psychopathology, housing, and service need and utilization with participants experiencing homelessness (PIs: Opperman, Toro).

09/2017 – 6/2018 **Research Project on Perceived Fairness and Stress Coping in African Americans**
Department of Public Health and Family Medicine, Wayne State University, Detroit, MI
Graduate Research Assistant
PI: Todd Lucas, Ph.D
Contributed to studies investigating the relationships of objective and subjective stress, perceived fairness, and stress coping among African American adults. Responsibilities included data collection (self-report measures, biological samples, physiological measures) and conducting social stress tests.

1/2015 – 08/2016 **Neuropsychology Research Lab**
Department of Psychology, Wayne State University, Detroit, MI
Undergraduate Research Assistant
PI: Lisa Rapport, Ph.D

Contributed to a study investigating performance indices to detect bona fide versus feigned traumatic brain injury. Responsibilities included administration and scoring of neuropsychological test batteries, data entry and verification for large-scale database.

4/2015 – 08/2016 **Rehabilitation Institute of Michigan**
Detroit Medical Center, Detroit, MI
Undergraduate Research Assistant
PI: Robin Hanks, Ph.D.

Contributed to a study examining psychosocial factors contributing to post-concussion recovery. Responsibilities included administering interviews to participants and performing data entry and verification.

CLINICAL TRAINING

07/2021 – current **Emory University – School of Medicine, Department of Psychiatry & Behavioral Sciences / Grady Health System**
Predoctoral Clinical Psychology Intern, General Track

Supervisors: Nadine Kaslow, Ph.D., Eugene Farber, Ph.D., Chanda Graves, Ph.D.

Adult Rotation (4 months)
Within the *Nia Project*, provide culturally responsive individual and group outpatient therapy (support groups, process groups, evidence-based group intervention) for individuals who have experienced trauma and/or have a history of suicidality. Within the *Integrated Behavioral Health Service*, provide brief assessments/screenings and brief individual intervention to address various behavioral health concerns within a stepped-care model. On the *Crisis Intervention Service*, provide brief group interventions focusing on crisis stabilization and management of acute psychiatric symptoms. On the *Inpatient Psychiatric Service*, provide skills-based psychotherapy groups (e.g., coping skills, stress management) for adult patients presenting with a range of disorders. Conduct adult psychological testing for the *Inpatient Psychiatric Service* and *Behavioral Health Outpatient Center.*

Child/Youth Rotation (4 months)
In the *Pediatric Infectious Disease Program*, participate on an in interdisciplinary team and provide psychological services, including psychotherapy and psychological assessment, for children, adolescents, and young adults in an outpatient pediatric primary care clinic specializing in care for youth living with HIV and their families. Provide outpatient individual and group psychotherapy at the *Psychosocial Rehabilitation Clinic*, for late adolescent and young adult consumers who are living with chronic and persistent mental illness. At *CHOA at Egleston*, provide pain management consultation and biobehavioral pain management strategies in an inpatient pediatric setting. At *Behavioral Health Outpatient Center*, provide diagnostic interview evaluations of patient seeking behavioral health services.

Elective Rotation (upcoming rotation; 4 months)
Provide diagnostic interviews, brief psychotherapy and consultation with interdisciplinary behavioral health staff at the *GHS Behavioral Health Outpatient Center.* 16 hours per week is allocated to the elective portion, including 8 hours weekly providing individual psychotherapy for young adults and adolescents in an outpatient pediatric primary care clinic specializing in care for youth living with HIV and their families. clinical research, focus to be determined. The remaining 12 hours will be devoted to a scholarly project focused on clinical issues in young adults living with HIV.

09/2020 – 05/2021 **Wayne State University Psychology Clinic,** Detroit, MI
Advanced Practicum Student
Supervisor: Paul Toro, Ph.D.

Co-supervised trainee with a caseload of 3 therapy patients 1-2 hours per week and attended monthly didactics on supervision.

08/2019 – 09/2020 **Life Stress Center, DMC Detroit Receiving Hospital,** Detroit, MI
Clinical Practicum Student
Supervisors: Christine Ramirez, Ph.D., Adnan Jaber, Ph.D., Matthew Ventimiglia, Ph.D.

Provided psychological services including outpatient psychotherapy, and debriefings and consultations for trauma and medical patients on the inpatient surgical and medical floors. Conducted pre-surgical bariatric and transplant psychological evaluations and wrote integrated reports. Presented psychotherapy cases at case conferences and participated in weekly supervision.

09/2019 – 03/2020 **Center for Forensic Psychiatry,** Saline, MI
Psychometrist
Supervisor: Nicole Kletzka, Ph.D.

Administered and scored psychological tests for criminal responsibility and competency to stand trial evaluations of individuals facing criminal charges.

05/2018 –12/2020 **Wayne State University Psychology Clinic,** Detroit, MI
Therapy practicum student
Supervisors: Douglas Barnet, Ph.D., Emily Grekin, Ph.D., Paul Toro, Ph.D.

Maintained a caseload of at least 2 therapy patients (150 hours) and engaged in supervision 1 hour per week.

09/2018 – 08/2019 **Center for Forensic Psychiatry,** Saline, MI
Clinical Practicum Student
Supervisors: Nicole Kletzka, Ph.D., Julie Paavola, Ph.D.

Conducted 14 psychodiagnostics assessments for inpatient treatment team referrals. Administered semi-structured interviews, intelligence and achievement testing, personality measures, neuropsychological measures, and other supplemental measures. Scored tests, wrote integrated reports, and provided feedback on assessments to the treatment team and patients. Co-led a weekly Dialectical Behavioral Therapy skills group, a weekly educational group for patients whose status was incompetent to stand trial, and a weekly positive psychology group for inpatients. Attended didactic trainings and case conference meetings, including a weekly Rorschach Inkblot Test (R-PAS method). Attended and

participated in weekly treatment team meetings for assigned inpatient unit.

05/2017 – 08/2018 **Wayne State University Psychology Clinic,** Detroit, MI
Assessment Practicum Student
Supervisors: Marilyn Franklin, Ph.D., Douglas Barnett, Ph.D., Paul Toro, Ph.D., John Woodard, Ph.D., Marla Bartoi, Ph.D.

Conducted 9 comprehensive psychoeducational and psycho-diagnostic assessments with children, adolescents, and adults. Administered semi-structured interviews, intelligence and achievement testing, personality measures, neuropsychological measures, and other supplemental measures. Scored tests, wrote integrated reports, and provided feedback to clients.

09/2017, 09/2019 **Community Mental Health,** Detroit, MI
Mental Health Screener

Administered structured interviews and mental health screenings to diverse group of adult men and women, including measures for depression (PHQ-9), anxiety (GAD-7), suicide (SBQ-R), and posttraumatic stress disorder (PC-PTSD)

2020	Office of the Vice President Award for Graduate Students who Obtain External Funding ($750)
2020	Blue Cross Blue Shield of Michigan Foundation Student Award Program Grant ($3,000)
2019	Wayne State University Travel Award ($350)
2018	Wayne State University Travel Award ($150)

TEACHING EXPERIENCE

Spring/Sum 2020 **Health Psychology,** Wayne State University, Detroit, MI
Spring/Sum 2017 Course Instructor

Independently taught an upper-level undergraduate course (4-credits, 25 students). Responsible for preparing, teaching, testing, and grading.

Fall 2018, **Lab in Experimental Psychology,** Wayne State University, Detroit, MI
Winter 2019, Laboratory Instructor

Fall 2019, Winter 2020	Responsible for preparing, teaching, and grading the upper-level undergraduate course (2 credits, 15 students per semester)
Winter 2018, Spring/Sum 2018	**Challenges of Everyday Living,** Wayne State University, Detroit, MI Course Instructor Independently taught an upper-level undergraduate course (3-credits, 40 students). Responsible for preparing, teaching, testing, and grading.
Fall 2017	**Psychology of Personality,** Wayne State University, Detroit, MI Course Instructor Independently taught an upper-level undergraduate course (3-credits, 25 students). Responsible for preparing, teaching, testing, and grading.
Fall 2016, Winter 2017	**Introduction to Psychology,** Wayne State University, Detroit, MI Laboratory Instructor Responsible for preparing, teaching, and grading the laboratory portion of the undergraduate course (4-credits, 50-75 students per semester)

TRAINING AND PROFESSIONAL DEVELOPMENT

06/2021	**Annual Meeting of the Society for the Exploration of Psychotherapy Integration** 3-day conference, virtually attended
03/2021	**Intensive Short-Term Dynamic Psychotherapy (ISTDP): Restructuring Fragility** Immersion course, virtually attended Instructor: Joel Town, Ph.D.
10/2020	**Intensive Short-Term Dynamic Psychotherapy (ISTDP): Mastering the ISTDP Trial Therapy (3 days)** Immersion course, virtually attended Instructors: Allen Abbass, M.D., Joel Town, Ph.D., Angela Cooper, Ph.D.
07/2020 – 06/2021	**Intensive Short-Term Dynamic Psychotherapy (ISTDP)** Biweekly individual (virtual) training sessions Instructor: Joel Town, Ph.D.

7/2020 – 06/2021	**Consultancy Training for Emotional Awareness & Expression Therapy (EAET)** Biweekly (virtual) meeting with EAET trainer and clinicians in training
04/2019	**Intensive Short-Term Dynamic Psychotherapy (ISTDP): Activating, Tracking, and Responding to the Unconscious Therapeutic Alliance** (3 days) Immersion course in Halifax, NS, Canada Instructors: Allen Abbass, M.D., Joel Town, Ph.D., Filip Mhyre, Ph.D.
04/2019	**Dialectical Behavioral Therapy Summit** (8 hours) Training course in Lansing, MI Community Mental Health Association of Michigan
10/2017	**Dialectical Behavior Therapy** (8 hours) Training presented at Wayne State University, Detroit, MI Instructor: Marla Bartoi, Ph.D.
10/2017	**Psychotherapeutic Treatments for Persistent Somatic Distress** (3 days) Columbia Psychosomatics Conference Columbia University, New York, NY
05/2017	**Beyond Pain Management: Chronic Pain Assessment and Treatment** (2 days) Workshop presented at Providence Hospital, Southfield, MI Instructors: Howard Schubiner, M.D., Alan Gordon, L.C.S.W.
04/2017	**Motivational Interviewing** (8 hours) Workshop presented at Wayne State University, Detroit, M Instructor: Sylvie Naar-King, Ph.D.
09/2016	**Suicide Prevention and Awareness** Workshop presented at Wayne State University, Detroit, MI

LEADERSHIP AND SERVICE ACTIVITIES

2021– 2022	Diversity, Inclusion, and Social Justice Committee Member
2021 – 2022	Intern Representative, Emory University Internship Seminar Series
2020	Volunteer for COVID-19 Crisis Hotline for Healthcare Workers
2019 – 2021	Diversity Discussions Coordinator, WSU Psychology Department
2018 – 2020	Consultant, LGBTQ health needs assessment, WSU School of Public Health
2017 – 2018	Vice President of Events & Services, WSU Clinical Psychology Graduate Student Association
