

PROFESSIONAL EXPERIENCE

Wayne State University (Detroit, MI)

College of Liberal Arts and Sciences

2020-present Professor of Public Health and Chair, Department of Public Health

University of Michigan-Dearborn (Dearborn, MI)

College of Education, Health, and Human Services

2017-2020 Professor of Public Health and Chair, Department of Health and Human Services

Oakland University (Rochester, MI)

School of Health Sciences

2016-2017 Professor of Health Sciences

2013-2017 Program Director, Master of Public Health Program

2010-2017 Program Director, Health Sciences Program

2010-2017 Program Director, Applied Health Sciences Program

2010-2016 Associate Professor of Health Sciences

2009-2010 Program Coordinator, Health Sciences Program

2006-2010 Assistant Professor of Health Sciences and Wellness, Health Promotion,
and Injury Prevention

University of Michigan (Ann Arbor, MI)

School of Public Health, Department of Health Behavior and Health Education

1999-2006 Assistant Research Scientist

1997-1999 Senior Research Associate and Project Director

1997-2016 Adjunct Faculty Member/Lecturer

1993-1997 Research Associate II and Project Director, Quality of Life Interviewing Center

1990-1992 Research Assistant, Robert Wood Johnson Foundation AIDS Evaluation Project

Eastern Michigan University (Ypsilanti, MI)

College of Health and Human Services

2005 Adjunct Faculty Member, School of Health Promotion and Human Performance

University of Michigan (Flint, MI)

1996-2000 Adjunct Faculty Member, School of Health Professions and Studies

Siena Heights University (Adrian, MI)

1993-2000 Adjunct Faculty Member

University of Michigan (Ann Arbor, MI)

Department of Psychiatry

1991-1992 Site Coordinator and Curriculum Specialist, Comprehensive HIV/AIDS Mental
Health Education Program

University of Michigan (Ann Arbor, MI)
School of Education

1988-1990 Research Associate, Program on Curriculum Design: Influences and Impacts
National Center for Research to Improve Postsecondary Teaching and Learning

DePaul University (Chicago, IL)

1986-1988 Assistant to the Vice President/Dean of Faculties

PROFESSIONAL AFFILIATIONS

American Public Health Association
International Society for Quality of Life Research
International Society for Quality-of-Life Studies

ACADEMIC HONOR SOCIETIES

Phi Rho Pi (honorary forensics society)
Phi Theta Kappa National Honor Society
Blue Key National Honor Society
Pi Sigma Alpha (honorary political science society)
Delta Epsilon Sigma National Honor Society

SCHOLARSHIPS

1991-1992 School of Public Health Fellowship, The University of Michigan
1989-1990 School of Education Dean's Merit Award, The University of Michigan
1988-1989 School of Education Dean's Fellowship, The University of Michigan
1984-1986 Academic Honor Scholarship, DePaul University

GRANTS AND CONTRACTS FUNDED

1. Co-Investigator, "Diversity and Inclusion in College Film and Media Programs," University of Michigan M-Cubed Funding Initiative, 2019-2020. PI: Jennifer Proctor, PhD, \$15,000.
2. Co-Principal Investigator, "Grizzlies Response: Awareness and Suicide Prevention (GRASP) at Oakland University," Garrett Lee Smith Memorial Act, Substance Abuse and Mental Health Services Administration, 2012-2015. PI: Michael MacDonald, PhD, \$611,546 (total w/required institutional match)
3. Co-Faculty Mentor, "Improving Quality of Colorectal Cancer Screening with Colonoscopy." Michigan Institute for Clinical and Health Research (MICHR T2) Mentored Clinical Scientists Career Development K Award, The University of Michigan, 2012-2013. PI: Stacy Menees, MD, \$50,000 (direct award plus required departmental match)

4. Co-Investigator, “Drum Majors’ Needs Assessment: A Child Obesity Prevention Initiative in the Faith-Based Communities of Detroit,” School of Health Sciences/School of Nursing Collaborative Research Award, 2011-2012. PI: Jennifer Lucarelli, PhD, \$5,732
5. Co-Investigator, “Ulcerative Colitis Patient-Related Outcomes (PRO) Development Protocol,” Genentech, Inc., 2009-2010. PI: Peter Higgins, MD, PhD, \$730,000 (\$33,803 Oakland University subcontract)
6. Co-Investigator, “Preparations for In-Home Testing of Brain-Computer Interfaces (BCI) Operating Assistive Technology,” National Institute on Disability and Rehabilitation Research, U.S. Department of Education, 2009-2012. PI: Jane Huggins, PhD, \$605,995
7. Co-Investigator, “Evaluating and Optimizing the Use of Public Automated External Defibrillators,” The Laerdal Foundation for Acute Medicine, 2009-2010. PI: Robert Swor, DO, FACEP, \$15,000
8. Co-Investigator, “A Prospective Pilot Study of a Lifestyle Change Program on Psychosocial Measures, Body Mass Index, Cardiorespiratory Fitness, and Cardiovascular Risk Factors in Obese Children,” Oakland University-William Beaumont Hospitals Multidisciplinary Research Award, 2009-2010. PI: Wendy Miller, MD, \$30,000 (with additional Provost’s Office match)
9. Evaluation Specialist, “Research Experiences for Undergraduates Site: Interdisciplinary Studies for Sensor and Biosensor Development,” National Science Foundation, 2008-2011. PI: Omar A. Oyarzabal, PhD, \$210,078
10. Consultant, “Identifying Factors that Influence Ulcerative Colitis and Post-Colectomy Utility,” The University of Michigan, 2007-2009. PI: Peter Higgins, MD, PhD, \$2,925
11. Consultant, “A Novel, Valid Disease Activity Index for Clinical Research in Ulcerative Colitis,” Crohn’s and Colitis Foundation of America, 2005-2009. PI: Peter Higgins, MD, PhD, \$411,155 (\$30,671 Oakland University subcontract)
12. Consultant, “Pelvic Floor Disorders Network – Data Coordinating Center,” National Institute of Child Health and Human Development, National Institutes of Health, 2006-2011. PI: Morton Brown, PhD, \$11,933,713
13. Principal Investigator, “Concordance of Clinical and Quality of Life Measures,” National Eye Institute, National Institutes of Health, 2005-2007. \$300,000
14. Co-Investigator, “Pedigree Collection in 500 Patients from the Collaborative Initial Glaucoma Treatment Study (CIGTS),” Glaucoma Research Foundation, 2004-2006. PI: Paul Lichter, MD, \$37,000
15. Co-Investigator, “Follow-up Data Collection in the CIGTS-II,” Allergan Pharmaceuticals, 2004-2006. Study Chairman, Paul Lichter, MD, \$250,000
16. Consultant, “The Michigan Acute Stroke Care Overview and Treatment Surveillance System (MASCOTS-II),” The Centers for Disease Control and Prevention, 2003-2004. PI: Matthew Reeves, PhD, \$25,000

17. Co-Investigator of Quality of Life Interviewing Center, “Pelvic Floor Disorders Network – Data Coordinating Center,” National Institute of Child Health and Human Development, National Institutes of Health, 2001-2006. PI: Morton Brown, PhD, \$4,799,926
18. Co-Investigator, “Taking CHARGE: Successful Transition to Survivorship in Women Treated for Breast Cancer,” Mary Margaret Walther Program for Cancer Care Research, Walther Cancer Institute, 2001-2003. PI: Bernadine Cimprich, PhD, \$209,322
19. Co-Investigator, “Enhancement of Colorectal Cancer Screening in a Random Population Sample of Michigan Residents,” Michigan Department of Community Health, 2000-2001. PI: David Schottenfeld, MD, \$285,009
20. Co-Investigator, “Shared Decision Making in Early Breast Cancer Treatment,” University of Michigan Health System Venture Investment Fund, 1999-2002. PI: Edwin Wilkins, MD, \$158,883
21. Co-Investigator, “Impact of Childhood Strabismus Surgery on Social and Emotional Aspects of Quality of Life,” Brownell Gift Fund, Kellogg Eye Center, The University of Michigan, 1999-2001. PI: David C. Musch, PhD, MPH, \$7,200
22. Co-Investigator of Quality of Life Interviewing Center, "Collaborative Initial Glaucoma Treatment Study," National Eye Institute, National Institutes of Health, 1993-2004. Study Chairman, Paul Lichter, MD, 1993-1998 \$5,980,935; 1998-2004 \$8,122,211

OTHER RESEARCH / ADMINISTRATIVE / CURRICULAR ACTIVITIES FUNDED

1. Wren PA. “Funds to Support HHS Student Participation in IPE in Action.” HUB for Teaching and Learning Resources Creative Teaching Fund Award; The University of Michigan-Dearborn, 2019; \$600.
2. Sampson N, Camp J and Wren P. “Development of an Assessment Plan for the Department of Health and Human Services.” Assessment Subcommittee of the University Curriculum and Degree Committee (UCDC); The University of Michigan-Dearborn; 2019-2020; \$2,750.
3. Oakland University URC Student Research Award, “The Public’s Knowledge of the Physical Therapy Profession: A Survey of Outpatient Orthopedic Patients in Southeastern Michigan.” (Andrew Bacyinski, DPT student), 2014-2015; \$500.
4. Oakland University PRC Competitive Award, “GRASP Mental Health and Suicide Prevention: GA Mentoring and Travel Support.” (Dr. Patricia Wren, PI), 2014-2015; \$6,000.
5. Oakland University Center for Excellence in Teaching and Learning Faculty Learning Community Award, “GRASP – Grizzlies Response: Awareness and Suicide Prevention (Dr. Dalton Connally, PI), 2013; \$1,500.
6. University of Michigan Health Behavior and Health Education Student/Faculty Writing Award, “Decisions and Experiences of Newly Diagnosed Cancer Patients with Sperm Banking” (Kurt Christensen, PhD student), 2011; \$3,000.

7. Oakland University Incentives for High Impact Practices and Learner-Centered Teaching Initiative to Improve HS 302 (Community and Public Health), (Dr. Patricia Wren, PI), 2012-2013, \$1,680.
8. Oakland University Graduate Research Award, "Pediatric Physical Therapists' Knowledge, Attitudes, and Behaviors towards Addressing Obesity with their Patients and Patients' Families." (Erin Makl, DPT student), 2011-2012; \$1,500.
9. Oakland University Graduate Student Research Award, "Contrasting the Use of the Perceived Wellness Survey (PWS) with the EORTC QLQ BR23 in Patients with Breast Cancer" (Meghan Patterson, DPT student), 2010-2011; \$1,450.
10. Oakland University Undergraduate Student Research Award, "This Ain't Something You Can Pray Away: Grandparents Telling Their Stories of Raising Grandchildren Using Photovoice" (Denise Stinson, WHP student), 2008-2009; \$2,120.
11. Oakland University Graduate Research Grant, "Women's Attitudes About Physical Therapy Who Have Undergone Breast Cancer Treatment" (Lori Zywiol, DPT student), 2008-2009; \$390.
12. Oakland University e-Learning and Instructional Support Grant for the development of an online version of EXS 215: Stress Management, 2007; \$1,500.
13. Center for Research on Learning and Teaching (CRLT) Lecturers' Professional Development Fund Grant Award for HBHE 641: Materials and Methods in Health Education Programs, 1998; \$1,804.
14. University of Michigan School of Public Health Community-Based Public Health Mini-Grant Award for HBHE 641: Materials and Methods in Health Education Programs, 1995-1998, 2001-2006; \$850-\$1,200/year.

GRANTS AND CONTRACTS SUBMITTED (UNFUNDED)

1. Co-Investigator, "Neural-fuzzy models to analyze bio-mechanical signals from Parkinson's disease patients," National Institute of Neurological Disorders and Stroke, National Institutes of Health, 2018-2021. PI: Adnan Shaout, PhD, \$468,000.
2. UM-Dearborn campus contact, "Michigan Pathways to Public Health Research Careers," Innovative Programs to Enhance Research Training, National Institute of General Medical Sciences, National Institutes of Health, 2018-2023. PI: Harold "Woody" Neighbors, PhD.
3. Co-Investigator, "Fuzzy inference model contrasting use of wearable sensors versus MDS-UPDRS to rate biomarkers and medical signs in persons with Parkinson's Disease," University of Michigan Health Sciences Council, IP-X Research Stimulus Pilot Grants, 2017-2018. PI: Adnan Shaout, PhD, \$50,000.
4. Co-Investigator, "Engaging ALS Patients in Patient-Centered Outcomes via the Photovoice Method," Patient-Centered Outcomes Research Institute, 2015-2017 (Letter of Intent). PI: Stephen Goutman, MD, \$150,000

5. Member of Advisory Council, “Stakeholder-Informed Development of Brain-Computer Interfaces (BCI) for Communication,” National Institute on Disability and Rehabilitation Research, U.S. Department of Education, 2015-2018 (Letter of Support). PI: Jane Huggins, PhD.
6. Team Leader and Co-Investigator, “Oakland University Training, Competencies, Opportunities and Mentoring in Engineering and Science (OUTCOMES),” First in the World Program, Office of Postsecondary Education, Department of Education, 2014-2018. PI: Graeme Harper, PhD, \$4,000,000
7. Faculty Mentor, “A Summer Undergraduate Research Program in Child Health and Human Development,” National Institute of Child Health and Human Development (NICHD), National Institutes of Health (NIH), 2014-2016. PI: Bradley Roth, PhD, \$214,045
8. Faculty Mentor, “Inadequate Colonoscopy Preparation.” Michigan Institute for Clinical and Health Research (MICHR) Mentored Clinical Scientists Career Development K Award, The University of Michigan, 2013-2014. PI: Stacy Menees, MD, \$240,808 (direct costs)
9. Principal Investigator, “Research Experiences for Undergraduates (REU) Site: Reducing Chronic Disease Risk Factors and Promoting Health among Underserved Populations Using Community-Based Participatory Research Methods,” National Science Foundation, 2012-2014. \$510,054
10. Co-Investigator, “Mini-Grant for ASIST Trainings, AMSR Trainings, and safeTALK Training of Trainers.” Michigan Department of Community Health, 2011. PI: Michael MacDonald, PhD, \$5,000
11. Co-Investigator, “Evaluating and Optimizing Use of Public Automated External Defibrillators (AEDs),” Oakland University-William Beaumont Hospitals Multidisciplinary Research Award, 2011-2012. PI: Robert A. Swor, DO, FACEP, \$19,932
12. Co-Investigator, “Breakfast First! Evaluating the Impact of Enhanced School Breakfast Programs.” Robert Wood Johnson Foundation Healthy Eating Research Program, 2011-2012. PI: Jennifer Lucarelli, PhD, \$166,147
13. Co-Investigator, “Food Navigators – Promoting Healthy School Breakfast.” Robert Wood Johnson Foundation Healthy Eating Research Program, Rapid-Response Grants, 2010-2011. PI: Jennifer Lucarelli, PhD, \$96,700
14. Principal Investigator, “Oakland University Community-Student Linked Infrastructure.” National Institutes of Health RC4 Building Sustainable Community-Linked Infrastructure to Enable Health Science Research, 2010-2011. \$652,952
15. Faculty Investigator, 3-D Experiential Learning Opportunities vs Traditional Instruction in Safety Training, National Institute for Occupational Safety and Health, National Institutes of Health, 2010-2012. PI: Aaron Bird, PhD, \$133,118
16. Consultant, “Telestroke Cost-Effectiveness and Physician Satisfaction,” American Heart Association, 2010-2011. PI: Jennifer Majersik, MD, \$110,000

17. Principal Investigator, “Center of Excellence: Oakland University’s Community Health Research Program, National Center for Minority Health and Health Disparities, National Institutes of Health, 2009-2011. \$820,635
18. Principal Investigator, “Evaluating and Optimizing Use of Public Automated External Defibrillators (AEDs),” Oakland University-William Beaumont Hospitals Multidisciplinary Research Award, 2009-2010. \$19,800
19. Consultant, “Effectiveness of Comprehensive Cancer Rehabilitation Program at St. Mary’s of Michigan,” Saginaw Community Foundation, 2009. PI: Deb Doherty, PT, MA, PhD, \$8,332
20. Investigator, “Assessment of Genetic Influences on Childhood Obesity Treatment Outcomes,” National Institute of Diabetes and Digestive and Kidney Diseases, National Institutes of Health, 2009-2011. PI: Wendy Miller, MD, \$707,276
21. Investigator, “Evaluation of a Lifestyle Change Childhood Obesity Treatment Program,” National Heart, Lung, and Blood Institute, National Institutes of Health, 2009-2011. PI: Wendy Miller, MD, \$275,000
22. Evaluation Specialist, “Research Experiences for Undergraduates Site: Warm Water Aquatic Ecology,” National Science Foundation, 2008-2011. PI: Alan E. Wilson, PhD, \$240,750
23. Co-Investigator, “Establishing a Health and Wellness Program and Measuring Resulting Physical and Psychological Improvement,” Elsa U. Pardee Foundation, 2008-2009. PI: Jacqueline S. Drouin, PT, PhD, \$212,917
24. Co-Primary Investigator, “Cancer Patients and Caregivers Report on Comprehensive Cancer Rehabilitation,” Elsa U. Pardee Foundation, 2008. PI: Ellen Herlache, MA, OT, \$11,986
25. Principal Investigator, “Mixed Method Investigation of Factors Related to Exercise Adherence in the Shape Up OU Program,” Oakland University Provost’s Multidisciplinary Undergraduate Research Award, 2008-2009. \$17,900
26. Consultant, “Clinical and Quality of Life Insights on Glaucoma from Analyses of CIGTS Data (R21),” National Eye Institute, National Institutes of Health, 2007-2009. PI: David C. Musch, PhD, MPH, \$418,000
27. Co-Principal Investigator, “A Prospective Multidisciplinary Innovative School-Based and Family-Based Approach to Childhood Obesity Prevention,” Blue Cross/Blue Shield of Michigan Foundation, 2007-2010 (Letter of Intent). PI: Wendy Miller, MD, \$250,000

RESEARCH COLLABORATIONS UNDERWAY

1. Consultant, “Development and Psychometric Testing of the Cancer Impairment Screening Tool (CIST),” Survivorship Solutions. PIs: Jillian S. Schmitt, MSPT, CEAS ad Kristin M. Carroll, PT.
2. Co-Investigator, “Hub for Evaluation and Learning (HEAL) Detroit,” WSU Bold Moves Initiative, 2020. PI: Tricia Miranda-Hartsuff, PhD, MPH

3. Co-Investigator, "Health Equity Research Institute," WSU Bold Moves Initiative, 2020. PI: Hayley Thompson, PhD (advanced to full proposal phase)
4. Co-Investigator, "Career Catalysts to Leverage Equity in Aging Research (CCLEAR)," NIH/National Institute of Aging MSTEM Advancing Diversity in Aging Research through Undergraduate Education (R25). PI: Mark Luborsky, PhD

PEER-REVIEWED PUBLICATIONS

1. Wei JT, Dunn R, Nygaard I, Burgio K, Lukacz ES, Markland A, Wren PA, Brubaker L, Barber MD, Jelovsek E, Spino C, Meikle S, Janz N and for the Pelvic Floor Disorders Network (2017). Development and validation of a quantitative measure of adaptive behaviors in women with pelvic floor disorders. *Female Pelvic Medicine & Reconstructive Surgery*. 23(4):232-237. PEER-REVIEWED PRESENTATIONS

1. MacDonald MG, Smith J, Hawley LD, Wallace E, and Wren PA (April 2016). Suicide-related knowledge, exposure, and self-reported helping skills in college students, faculty, and staff. Paper presented at the annual meeting of the American Educational Research Association, Washington, DC.
2. Hawley LD, Wummel B, MacDonald MG, Wallace E, and Wren P (October 2015). A model for campus assessment for general physical and mental health to inform gatekeeper trainings. Poster presented at the annual meeting of the Association for Counselor Education and Supervision, Philadelphia, PA.
3. MacDonald MG, Hawley LD, Wallace E, and Wren P (April 2015). Undergraduate college students' experience with suicide, suicide related knowledge, and connection to campus: Implications for the development of suicide prevention programming. Poster #79 presented to the American Association of Suicidology annual meeting, Atlanta, GA.

4. MacDonald MG, Hawley L, Wallace E, Wren P, and Wummel B (February 2015). College faculty, staff, and students' perceived preparedness for suicide intervention. Poster presented at the 18th annual American Association of Behavioral and Social Sciences Conference. Las Vegas, NV.
5. MacDonald M, Wummel B, Hawley L, Wallace E, and Wren P (February 2015). Graduate students' perceived readiness to prevent suicide: Implications for suicide prevention in campus communities. Paper presented to the annual meeting of the Michigan Academy of Sciences, Arts, and Letters, Berrien Springs, MI.
6. Wummel B, MacDonald MG, Connally D, Hawley L, Wallace E, and Wren P (February 2014). College students' perceived stigma about treatment for suicide related problems. Paper presented at the annual meeting of the Michigan Academy of Science, Arts, and Letters. Rochester, MI.
7. MacDonald M, Connally D, Wallace E, Hawley LD, Wren PA and Wummel B (February 2014). College students' knowledge about suicide information: Implications for campus suicide prevention programming. Paper presented at the 17th annual American Association of Behavioral and Social Sciences Conference. Las Vegas, NV.
8. Doherty D, Maher S, Ivanikiw C, Hales M, Lebiecki T, and Wren P (February 2014). Perceptions of cultural competency in Doctor of Physical Therapy students: A cross-sectional study. Poster presented at the Combined Sections Meeting of the American Physical Therapy Association, Las Vegas, NV.
9. Hawley LD, Wummel B, Connally D, MacDonald MG, Wallace EH, and Wren PA (October 2013). Unifying a college campus to prevent death by suicide and related mental health issues. Roundtable 12 delivered at the annual meeting of the Association for Counselor Education and Supervision. Denver, CO.
10. Wren PA, Connally D, Hawley L, Wallace E, Wummel B, and MacDonald M (September 2013). Development of a conceptual framework to guide a university campus-wide suicide prevention initiative. Poster PO3-56 presented at the 27th World Congress of the International Association for Suicide Prevention. Oslo, Norway.
11. Moinuddin AA, Wren PA, Hornyak J, Chiodo AE, Huggins JE (June 2013). Preliminary design and performance standards for brain-computer interfaces desired by potential users with neuromuscular disease. Poster presented at the 5th International Brain-Computer Interface Meeting. Pacific Grove, CA. *Proceedings of the Fifth International Brain-Computer Interface Meeting: Defining the Future*; ISBN 978-3-85125-260-6 / DOI:10.3217/978-3-85125-260-6-184.
12. Wren PA (March 2013). What do we know about the health of LGBT youth? Workshop presented at the 2nd annual Michigan Sexual Orientation and Gender Identity (SOGI) Education Conference, Rochester, MI.
13. MacDonald MG, Connally D, Hawley L and Wren P (February 2013). A socio-ecological approach to a campus-wide suicide prevention initiative. Paper presented at the 16th annual meeting of the American Association of Behavioral and Social Sciences. Las Vegas, NV.

14. Doherty D, Beck S, Reinhard D, Wren P, and Drouin JS (January 2013). The effectiveness of a comprehensive cancer rehabilitation program as perceived by the cancer survivor: An exploratory study. Platform presentation at the Combined Sections Meeting of the American Physical Therapy Association. San Diego, CA. CSM Abstracts 2013; *Rehabilitation Oncology* (2013), 31(1):49-50.
15. Moinuddin AA, Wren PA, Chiodo AE and Huggins JE (October 2012). Brain-computer interface design and performance standards desired by potential users with spinal cord injury. Poster 891.13/NN1 presented at the 42nd annual meeting of the Society for Neuroscience. New Orleans, LA.
16. Miller WM, Goslin BR, Boura J, Coleman C, Wren PA, Gellish R, Kolotkin R (September 2012). Multidisciplinary childhood obesity treatment is associated with body mass reduction and improved quality of life. Poster #341-P presented at the 30th annual scientific meeting of the Obesity Society. San Antonio, TX.
17. Landis-Piwowar K, Bird AJ, Wren P and Dallo F (February 2012). Use of stereographic 3D video for enhancing the learning experience of phlebotomists in training. Technology demonstration presented at the Clinical Laboratory Educators Conference (CLEC) sponsored by the American Society for Clinical Laboratory Science. Salt Lake City, UT.
18. Wren PA (February 2012). Health status and health risks of LGBTQ youth: What do we know, how do we know it, and what should we do? Workshop presented at the Michigan Sexual Orientation and Gender Identity (SOGI) Education Conference, Rochester, MI.
19. Wren PA, Blain S, Schaff R, Gruis KL, and Huggins JE (October 2011). Perspectives of persons with ALS on the design of brain-computer interface (BCI) communication technology. Poster #240394 presented at the 139th annual meeting of the American Public Health Association. Washington, DC.
20. Wei J for the Pelvic Floor Disorders Network (October 2011). Development and validation of an adaptive behavior index for women with pelvic floor disorders. Poster #2026/87 presented at the 18th annual conference of the International Society for Quality of Life Research. Denver, CO. *Quality of Life Research* (2012) 20 (1, Suppl 1):71. DOI 10.1007/s11136-011-0097-z
21. Miller W, Goslin B, Veri S, Ligotti-Hitch M, Kramer B, Gellish R, Wren PA, and Lucia V (October 2011). Baseline dietary intake is associated with childhood obesity treatment outcomes. Poster #287-P presented at the 29th annual scientific meeting of the Obesity Society. Orlando, FL.
22. Wei JT for the Pelvic Floor Disorders Network (PFDN) (September 2011). Adaptive behaviors are correlated with symptom severity and improve following treatment. Paper #44 given at the 32nd annual scientific meeting of the American Urogynecologic Society. Providence, RI. *Female Pelvic Medicine & Reconstructive Surgery*, 17 (5, Suppl 2): S71.
23. Wei J for the Pelvic Floor Disorders Network (August 2011). Adaptive behaviors are correlated with symptom severity and improve following treatment. Poster #544 presented at the 41st annual meeting of the International Continence Society. Glasgow, UK.

24. Higgins PDR, Bhuket T, Cross R, Flasar M, Docherty M, Isaacs K, Rustgi A, and Wren PA (February 2011). Development of patient reported outcome (PRO) instruments in ulcerative colitis and Crohn's disease. Presentation P059 given at the 6th Congress of the European Crohn's and Colitis Organization. Dublin, Ireland. *Journal of Crohn's and Colitis* (2011) 5:S37.
25. Gruis KL, Wren P, and Huggins J (December 2010). Amyotrophic lateral sclerosis patients' self reported satisfaction with assistive technology. Paper presented at the 21st International Symposium on ALS/MND. Orlando, FL.
26. Huggins JE, Wren PA, and Gruis KL (November 2010). Brain-computer interface performance standards desired by potential users with amyotrophic lateral sclerosis. Poster 689.20/DDD6 presented at the 40th annual meeting of the Society for Neuroscience. San Diego, CA.
27. Wren PA, Bergmans CL, and Higgins PDR (October 2010). Development of patient-reported outcomes (PROs) in ulcerative colitis and Crohn's disease. Poster #1592 nominated for *Best Poster Award* and presented at the 17th annual conference of the International Society for Quality of Life Research. London, England. *Quality of Life Research*, 19 (suppl 1), 115, 221/1592.
28. Peshkin RI, Zywiol LM and Wren PA (November 2009). Attitudes about physical therapy among women who have undergone breast cancer treatment. Poster presented at the annual meeting of the Michigan Physical Therapy Association. Dearborn, MI.
29. Wren PA and Smiley MJ (November 2009). Challenges of faculty-student-agency partnerships: Examples from a community-based participatory health course. Oral presentation given at the 3rd International Symposium on Service-Learning. Athens, Greece.
30. Pike J, Wren PA, Rorke SC (November 2009). Evaluation of HIV/AIDS education and prevention initiatives in Swaziland. Oral presentation given at the 137th annual meeting of the American Public Health Association, Philadelphia, PA.
31. Wei JT, Wren PA, Brubaker L, Burgio KL, Janz NK, Nygaard I, Dunn RL, Spino CA, Meikle SF and Khan MA (October 2009). Development and validation of an Adaptation Index for women with pelvic floor disorders (PFD). Oral presentation given at the 16th annual meeting of the International Society for Quality of Life Research, New Orleans, LA.
32. Pike J, Wren PA, Rorke SC (May 2009). Evaluation of HIV/AIDS education and prevention initiatives in Swaziland. Poster presented at the Meeting of the Minds XVI Undergraduate Conference, Dearborn, MI.
33. Bradley CS for the Pelvic Floor Disorders Network (July 2008). Bowel symptoms in women one year after sacrocolpopexy. Poster presented at the International Consultation on Incontinence, Paris, France. *Urotoday International Journal*; 1(0). doi:10.3834/uij.1939-4810.2008.06.49.
34. Goode PS for the Pelvic Floor Disorders Network (July 2008). Enhancing participation of older women in surgical trials. Poster presented at the International Consultation on Incontinence, Paris, France. *Urotoday International Journal*; 1(0). doi:10.3834/uij.1939-4810.2008.06.07.

35. Wren PA (May 2008). Community-based participatory courses: Challenges and opportunities for faculty, students, and agency partners. Oral presentation given at the 2nd annual International Conference on Teaching and Learning, Rochester, MI.
36. Wren PA for the Pelvic Floor Disorders Network (April 2008). Relationship between optimism and patient-centered outcomes before and after sacrocolpopexy for pelvic organ prolapse. Poster 17 presented at the 34th annual meeting of the Society of Gynecologic Surgeons, Savannah, GA. *Journal of Pelvic Medicine & Surgery*; 14(2):108.
37. Khan T, Wren PA, Joyce J, Zimmerman EM, Waljee A, Dave M, and Higgins PDR (May 2007). Identification of symptom domains in ulcerative colitis that are responsive to changes in disease severity. Poster #W1050 presented at Digestive Disease Week, Washington DC. *Gastroenterology*; 132 (4, Suppl 2):P-297.
38. Waljee AK, Joyce JC, Khan T, Zimmerman EM, Wren PA, and Higgins PDR (May 2007). Do currently available disease activity indices measure the symptoms that ulcerative colitis patients experience during a flare? Oral presentation #191 given at Digestive Disease Week, Washington DC. *Gastroenterology*; 132 (4, Suppl 2):P-44.
39. Richter HE for the NICHD Pelvic Floor Disorders Network (April 2007). Bladder symptoms one year after abdominal sacrocolpopexy with and without Burch colposuspension in women without preoperative stress incontinence symptoms. Oral presentation 23 at the annual meeting of the Society of Gynecologic Surgeons, Orlando, FL. *Journal of Pelvic Medicine & Surgery*; 13(2):62-63.
40. Bradley CS for the Pelvic Floor Disorders Network (April 2007). Bowel symptoms in women one year after sacrocolpopexy. Oral presentation 13 at the annual meeting of the Society of Gynecologic Surgeons, Orlando, FL. *Journal of Pelvic Medicine & Surgery*; 13(2):58-59.
41. Handa VL for the Pelvic Floor Disorders Network (April 2007). Sexual function before and after sacrocolpopexy for advanced prolapse. Oral presentation 10 at the annual meeting of the Society of Gynecologic Surgeons, Orlando, FL. *Journal of Pelvic Medicine & Surgery*; 13(2):57.
42. Knittel AK and Wren PA. Evaluation of the HIV/AIDS Resource Center Needle Exchange Program (March 2007). Poster presented at the 12th annual meeting of the American Medical Student Association, Arlington, VA.
43. Janz NK, Wren PA, Musch DC, Niziol LN, Gillespie BW and the CIGTS Study Group (January 2007). Relationship between visual function and driving concerns in the Collaborative Initial Glaucoma Treatment Study. Paper presented at the 4th U.S. Symposium on Ocular Epidemiology, Sarasota, FL.
44. Wren PA and Gee GC (November 2006). Research on hard-to-reach populations: Case studies from lesbian, gay, bisexual, and transgender (LGBT) and Asian/Pacific Islander (API) communities. Poster presented in session number 4176.2 at the 134th annual meeting of the American Public Health Association, Boston, MA.

45. Richter HE for the Pelvic Floor Disorders Network. (October 2006). Irritative and obstructive bladder symptoms in women with prolapse: Comparing those with and without concomitant stress incontinence symptoms. Paper presented at the annual meeting of the American Urogynecologic Society, Palm Springs, CA. *International Urogynecology Journal*; 17 (Suppl 3):S403-404.
46. Jampel HD, Frick KD, Janz NK, Wren PA, Musch DC and Lichter PR and the CIGTS Investigators (May 2006). Depression, mood indicators, and self-reported visual function at baseline in the Collaborative Initial Glaucoma Treatment Study (CIGTS). Poster presented at the annual meeting of the Association for Research in Vision and Ophthalmology, Fort Lauderdale, FL. *Investigative Ophthalmology & Visual Science*; 47: E-Abstract 3382.
47. Wren PA, Janz NK, Musch DC, Niziol LM, Gillespie BW and Guire KE (May 2006). Relating the Visual Activities Questionnaire (VAQ) and the National Eye Institute-Visual Function Questionnaire (NEI-VFQ) in the Collaborative Initial Glaucoma Treatment Study (CIGTS). Poster presented at the annual meeting of the Association for Research in Vision and Ophthalmology, Fort Lauderdale, FL. *Investigative Ophthalmology & Visual Science*; 47: E-Abstract 3383.
48. Bradley CS for the Pelvic Floor Disorders Network (April 2006). Bowel symptoms in women planning surgery for pelvic organ prolapse. Paper presented at the 32nd annual meeting of the Society of Gynecologic Surgeons, Tucson, AZ.
49. Higgins PDR, Schwartz M, Leung J, Krokos I, Mapili J, Wren P, Zimmerman EM (December 2005). The crumbling domain structure of the Inflammatory Bowel Disease Questionnaire. Poster presented to the 4th annual Crohn's and Colitis Foundation of America National Research and Clinical Conference, Miami, FL.
50. Wren PA for the NICHD Pelvic Floor Disorders Network (December 2005). Development of the Adaptations Index for women with pelvic floor disorders: The value of the patient's voice. Paper presented in session number 3042.0 at the 133rd annual meeting of the American Public Health Association, Philadelphia, PA.
51. Zyczynski HM for the Pelvic Floor Disorders Network (September 2005). Preoperative sexual function in women planning sacrocolpopexy. Poster presented at the annual meeting of the American Urogynecologic Society, Atlanta, GA. *Journal of Pelvic Medicine & Surgery*; 11:S39.
52. FitzGerald MP for the PFDN (April 2005). Relationship between stage of pelvic organ prolapse and symptoms of pelvic dysfunction. Paper presented at the annual meeting of the Society of Gynecologic Surgeons. Rancho Mirage, CA. *Journal of Pelvic Medicine & Surgery*; 11(2):62.
53. Wren PA, Janz NK, Brubaker L, Fitzgerald MP, Weber AM, LaPorte FB and Wei JT (October 2004). Reliability of health-related quality of life measures one year following pelvic floor surgery. Poster presented at the annual meeting of the Central Association of Obstetricians and Gynecologists, Washington DC.

54. Archer SM, Musch DC, Wren PA, Guire KE, and Del Monte MA (March 2004). Social and emotional impact of strabismus surgery on quality of life in children. Poster presented at the 30th annual meeting of the American Association for Pediatric Ophthalmology and Strabismus, Washington DC.
55. Cimprich B, Northouse L, Janz N, Wren P, Given B, and Given C (February 2004). Taking CHARGE: Developing and evaluating an intervention for breast cancer survivors. Paper presented at the annual meeting of the Midwest Nursing Research Society, St. Louis, MO.
56. Bottomley JM, Wren PA, Overton B, Diesel P, Harding G, and Kiser P on behalf of the CAT-152-0202 study investigators (December 2003). The value of patient evidence in developing guidance of new technologies in people with glaucoma following first trabeculectomy. Poster presented at the fourth annual National Institute for Clinical Excellence (NICE) conference, Birmingham, UK.
57. Wren PA, Musch DC, Archer SM, Guire KE, and Del Monte MA. (November 2003). Quality of life improvements following childhood strabismus surgery. Paper presented in session number 3246.0 at the 131st annual meeting of the American Public Health Association, San Francisco, CA.
58. Wren PA, Musch DC, Archer SM, Guire KE, Del Monte MA, Levin EM (May 2003). Impact of Childhood Strabismus Surgery on Social and Emotional Aspects of Quality of Life. Poster presented at the annual meeting of the Association for Research in Vision and Ophthalmology, Fort Lauderdale, FL. *Investigative Ophthalmology & Visual Science*; 44:E-Abstract 1924.
59. Brubaker L for the Pelvic Floor Disorders Network (March 2003). Colpopexy and Urinary Reduction Efforts (CARE): A Randomized Trial of Abdominal Sacrocolpopexy with/without Burch Colposuspension. Paper presented at the annual meeting of the Society of Gynecologic Surgeons, Anaheim, CA.
60. Janz NK, Wren PA, Schottenfeld DS and Guire KE (November 2002). Race and Gender Differences in Colorectal Cancer Screening Attitudes and Behavior in a Population-Based Sample of Michigan Residents. Paper presented in session number 3273.0 at the 130th annual meeting of the American Public Health Association, Philadelphia, PA.
61. Wren PA (October 2002). Study Design and Summary of Quality of Life Outcomes: Multicenter NEI Clinical Trials III, The Collaborative Initial Glaucoma Treatment Study (CIGTS). Paper presented at the 2002 Subspecialty Day meeting of the American Academy of Ophthalmology, Orlando, FL.
62. Brubaker L for the Pelvic Floor Disorders Network (August 2002). Colpopexy and Urinary Reduction Efforts (CARE): A Randomized Trial of Abdominal Sacrocolpopexy with/without Burch Colposuspension. Paper presented at the International Urogynecological Association, Prague, Czech Republic.

63. Rockwood EJ, Spaeth GL, Piltz-Seymour JR, Berke SJ, Chen PP, Lichter PR, Musch DC, Janz NK, Wren PA and the CIGTS Study Group (May 2002). The Impact of Cataract Surgery on Visual Acuity, Visual Field, and Quality of Life for Patients in the CIGTS. Poster presented at the annual meeting of the Association for Research in Vision and Ophthalmology, Fort Lauderdale, FL. *Investigative Ophthalmology & Visual Science*; 43: E-Abstract 289.
64. Lichter PR, Janz NK, Musch DC, Gillespie BW, Guire KE, Wren PA, Mills RP and the CIGTS Study Group. The Collaborative Initial Glaucoma Treatment Study (CIGTS): Interim Outcomes Report With Up to 5 Years of Follow-Up (November 2001). Paper presented at the annual joint meeting of the American Academy of Ophthalmology and the Pan-American Association of Ophthalmology, New Orleans, LA.
65. Janz NK, Wren PA, Lichter PR, Musch DC, Gillespie BW, Guire KC, Mills RM, and the CIGTS Study Group (November 2001). Initial Quality of Life Findings with up to 5 Years of Follow-Up in the Collaborative Initial Glaucoma Treatment Study (CIGTS). Paper presented at the annual joint meeting of the American Academy of Ophthalmology and the Pan-American Association of Ophthalmology, New Orleans, LA.
66. Wren PA, Janz NK, and the CIGTS Study Group (November 2000). Symptom Presentation in Newly-Diagnosed Glaucoma Patients. Poster presented at the 6th International Congress of Behavioral Medicine, Brisbane, Australia.
67. Wren PA, Janz NK, Lichter PR, Gillespie BW, and the CIGTS Study Group (October 1999). Impact of a Glaucoma Diagnosis on Psychological Distress in the Collaborative Initial Glaucoma Treatment Study (CIGTS). Poster presented at the annual joint meeting of the American Academy of Ophthalmology and the Pan-American Association of Ophthalmology, Orlando, FL.
68. Janz NK, Wren PA, Lichter PR, Musch DC, and the CIGTS Study Group (October 1999). Relating Symptom Presentation to Visual Field Loss in the Collaborative Initial Glaucoma Treatment Study (CIGTS). Paper presented at the annual joint meeting of the American Academy of Ophthalmology and the Pan-American Association of Ophthalmology, Orlando, FL.
69. Wren PA, Janz NK, and the CIGTS Study Group (November 1998). Measuring Quality of Life and Baseline Findings from the Collaborative Initial Glaucoma Treatment Study (CIGTS). Poster presented at the annual meeting of the International Society for Quality of Life Research, Baltimore, MD.
70. Wren PA, Janz NK, and the CIGTS Study Group (May 1998). Measuring Quality of Life and Findings from the Collaborative Initial Glaucoma Treatment Study (CIGTS). Paper presented at the 19th annual meeting of the Society for Clinical Trials, Atlanta, GA.
71. Wren PA, Janz NK, Lichter PR, and the CIGTS Study Group (May 1998). Baseline Quality of Life Findings from the Collaborative Initial Glaucoma Treatment Study (CIGTS). Poster presented at the annual meeting of the Association for Research on Vision and Ophthalmology, Fort Lauderdale, FL.
72. Wren PA, Janz NK, and Harrison RV (April 1998). Developing Materials to Increase Screening Mammography Among a Michigan Medicare Population. Poster presented at the Cancer, Culture, and Literacy Conference, Clearwater Beach, FL.

73. Wren PA and Janz NK (November 1996). Implementing a Field Component into a Health Education Course: A Faculty Perspective. Presented as part of session number 1061, "Implementing the Community-Based Public Health Initiative at the University of Michigan and University of North Carolina Schools of Public Health: Successes and Challenges" at the 124th annual meeting of the American Public Health Association, New York, NY.
74. Wren PA, Janz NK, Guire KE, and the CIGTS Study Group (October 1995). The Impact of Glaucoma on Important Quality of Life Domains. Paper presented in session number 3173 at the 123rd annual meeting of the American Public Health Association, San Diego, CA.
75. Wren PA, Janz NK, Musch DC, Gillespie BW, and the CIGTS Study Group (March 1995). Differential Impact of a Vision Disability on Quality of Life. Poster presented at the 16th annual meeting of the Society of Behavioral Medicine, San Diego, CA.
76. Janz NJ, Wren PA, Lichter PR, and the CIGTS Study Group (November 1994). Assessing Quality of Life in the Collaborative Initial Glaucoma Treatment Study (CIGTS). Poster presented at the annual meeting of the American Academy of Ophthalmology, San Francisco, CA.
77. Janz NJ, Wren PA, Lichter PR, and the CIGTS Study Group (October 1994). The Importance of Quality of Life Measurement in a Glaucoma Clinical Trial. Paper presented in session number 4048 at the 122nd annual meeting of the American Public Health Association, Washington, DC.
78. Harris VL and Wren PA (November 1993). Woman to Woman: A Safer Sex Workshop. Workshop presented at the VII International Conference on AIDS Education, Chicago, IL.
79. Wren PA and Harris VL (November 1993). Assessing Stress and Burnout Among AIDS Care Providers. Workshop presented at the VII International Conference on AIDS Education, Chicago, IL.
80. Wren PA, Janz NK, Israel BA, Becker MH, and Zimmerman MA (October 1993). Staff-Related Problems in Community-Based AIDS Prevention and Service Projects: Lessons from the RWJF Initiative. Paper presented in session number 3298 at the 121st annual meeting of the American Public Health Association, San Francisco, CA.
81. Wren PA and Harris VL (July 1993). Managing AIDS-Related Caregiver Burnout. Workshop presented at the 11th annual HIV/AIDS Forum, Houston, TX.
82. Zimmerman MA, Janz NK, and Wren PA (November 1992). Effective Prevention Strategies for Community-Based AIDS Programs. Presented as part of session number 1076, "AIDS Prevention Strategies, Organizational Factors, and Evaluation Approaches," at the 120th annual meeting of the American Public Health Association, Washington, DC.
83. Wren PA and Ostrow DG (August 1992). Development and Use of an HIV/AIDS and Mental Health Curriculum for Primary Care Providers: Lessons Learned from the CHAMHEP Curriculum. Poster presentation given at the VI International Conference on AIDS Education, Washington, DC.

84. Ostrow DG, Gates B, Wren PA (July 1992). Teaching HIV Caregivers How to Integrate Complementary/Holistic Treatment Modalities. Presentation given at HIV Infection: The Quality of Life and Its Biopsychosocial Aspects Conference, Amsterdam, The Netherlands.
85. Wren PA (September 1991). The Future of Catholic Higher Education: Purpose and Practice. Paper presented at the annual academic conference on The Future of the American Church, Washington, DC.
86. Wren PA, Stark JS, and Lowther MA (November 1990). Faculty Course Objectives: Substantive Differences or Semantics? Paper presented at the annual meeting of the Association for the Study of Higher Education, Portland, OR.
87. Shaw KM, Stark JS, Lowther MA, and Wren PA (May 1989). Development of a Course-Specific Student Goals Instrument. Paper presented at the annual meeting of the Association for Institutional Research Forum, Baltimore, MD.

INVITED AND NON PEER-REVIEWED PRESENTATIONS

1. Wren PA (December 2018). Health and medicine is your passion: Choosing a major to match. Invited oral presentation given at Health Professions Information Night. Dearborn, MI
2. Wren PA (November 2018). Invited moderator for the Mental Health Awareness Panel. The University of Michigan-Dearborn, Dearborn, MI.
3. Wren PA (November 2018). Risk factors for mental illness and suicide: A case for early intervention. Invited oral presentation given to the Council of Research Associate Deans, The University of Michigan, Dearborn, MI.
4. Miller J, Means Coleman R, Wren P, Michener D (September 2018). Identifying as an LGBTQ Researcher/Scholar: Out in Academia. Invited panel discussant at the UM LGBTQ Research Symposium: Exploring Identity, sponsored by the Michigan Institute for Clinical & Health Research (MICHR), The University of Michigan, Ann Arbor, MI.
5. Wren PA (September 2017). Patient advocacy in medicine and public health. Invited workshop given at the 2017 Mullin Welch Symposium “The Spectrum of Advocacy and Activism: Finding Your Voice” sponsored by the Center for the Education of Women, The University of Michigan, Ann Arbor, MI.
6. Gillum L, Markavitch VL, Wren P and Brown B (May 2015). Challenges and opportunities for women in leadership. Invited Panelist at the 12th annual Graduate Student Research Symposium, School of Education and Human Services, Oakland University, Rochester MI.
7. Wren PA (November 2013). Stress management. Invited workshop given to the Professional Advisers Committee, Oakland University. Rochester, MI.
8. Wren PA (April 2013). Building community for all: Inclusive of the spectrums of sexual orientations and gender identities. Invited breakout sessions given at the 4th annual Student Leadership Conference, Oakland University. Rochester, MI.

9. Wren PA (March 2013). *Bully*. Invited moderator at the 29th annual Oakland University Women & Gender Studies Film Festival. Rochester, MI.
10. Wren PA (March 2013). What do we know about the health of LGBT youth? Invited roundtable hosted at the 2nd annual Michigan Sexual Orientation and Gender Identity (SOGI) Education Conference, Rochester, MI.
11. Huggins JE, Thompson DE, Blain-Moraes S, Wren PA, Gruis KL, Schaff R (September 2012). Brain-computer interface design for widespread use. Invited symposium presented at the Joint Meeting of ECNS / ISBET / ISNIP / EPIC. Bristol, TN.
12. Wren PA (March 2012). *MissRepresentation*. Invited moderator at the 28th annual Oakland University Women & Gender Studies Film Festival. Rochester, MI.
13. Wren PA (January 2012). Managing stress in college students. Invited workshop for the Alpha Sigma Tau Sorority. Oakland University. Rochester, MI.
14. Torres R, Piskulich P, and Wren PA (October 2011). Collective wisdom: Designing surveys for use in assessment. Workshop presented to the University Assessment Committee. Oakland University. Rochester, MI.
15. Wren P (August 2011). Quality of life issues – How to not only survive but thrive in the pressures of an academic setting. Invited roundtable at the School of Health Sciences Faculty Retreat. Oakland University. Rochester, MI.
16. Stiller C and Wren P (August 2011). Getting through IRBs with strong research methodology. Invited workshop at the School of Health Sciences Faculty Retreat. Oakland University. Rochester, MI.
17. Schaff R, Blain S, Wren PA, and Huggins JE (April 2011). Focus groups to determine brain-computer interface design priorities. Poster presented at the University of Michigan Undergraduate Research Opportunity Program (UROP) Spring Research Forum. Ann Arbor, MI.
18. Wren PA (March 2011). From hysteria to disorder: Manufacturing disorders of female sexual desire. Invited moderator for the 27th annual Oakland University Women & Gender Studies Film Festival. Rochester, MI.
19. Miller W, Goslin B, Lucia V, Wren P, Gellish R, Veri S, Odom J, Lillystone M, Franklin B, Balagna E, Ligotti-Hitch M, Meyers M, Plegue V, Kramer B, Sloan K, Licari C, Robertson K, Bernacik K, Coleman C and Boura J (February 2011). A prospective pilot study of a lifestyle change program on psychosocial measures, body mass index, and physical activity level in obese children. Paper presented at the 2nd OU-Beaumont Biomedical Research Symposium. Rochester, MI. *Proceedings of the Second Oakland University Beaumont Hospitals Biomedical Research Symposium* (2011) 2:22-23.
20. Battles K, Chaney M, Gilson A, Howell S, Larrabee T, McGinnis D, Nidifer J, Patterson G, Williams D and Wren P (December 2010). Panelist at the Out & Proud LGBTQ Faculty and Staff Forum. Oakland University. Rochester, MI.

21. Wren PA (April 2010). Invited keynote speaker. Health Sciences Career Exploration Day. Oakland University. Rochester, MI.
22. Wren PA (March 2010). Women in war / Women on war. Panelist at the 26th annual Oakland University Women & Gender Studies Film Festival. Rochester, MI.
23. Wren PA (February 2010). Real sex talk with Dr. Patricia Wren. Invited workshop for residents of Hamlin Hall. Oakland University. Rochester, MI.
24. Wren PA. (November 2009). Invited participant. Honors College 100 (HC 100) Career Day Workshop. Oakland University. Rochester, MI.
25. Wren PA (November 2009). Invited moderator, Session #21, "Community & Change:" A Course for Communities, Students and Educators. 3rd International Symposium on Service-Learning. Athens, Greece.
26. Wren PA (October 2009). Stress management in college students. Invited presentation to the Pi Nu Chapter of the Sigma Gamma Rho sorority, Oakland University, Rochester, MI.
27. Wren PA (March 2009). Quality of life measures: Psychosocial outcomes important to clinical research. Invited presentation given at the monthly Sigma Xi Luncheon Seminar Series. Oakland University, Rochester, MI.
28. Wren PA (November 2007). What do I want to be when I grow up? And how do I get there from here? Invited presentation to Zeta Upsilon chapter of Alpha Delta Pi sorority at Oakland University, Rochester, MI.
29. Wren PA (August 2006). Hocus, pocus: How to focus your health promotion materials. Workshop presented at the 6th annual conference of the TB Education and Training Network sponsored by the Centers for Disease Control and Prevention, Atlanta, GA.
30. Wren PA (March 2006). What can research in minority communities teach us about research. Invited presentation to the annual Minority Health Conference, Ann Arbor, MI.
31. Wren PA (August 2005). Selecting materials and methods for reaching your audience. Workshop presented at the 5th annual conference of the TB Education and Training Network sponsored by the Centers for Disease Control and Prevention, Atlanta, GA.
32. Wren PA (August 2004). Needs assessment interviews. Workshop presented at the 4th annual conference of the TB Education and Training Network sponsored by the Centers for Disease Control and Prevention, Atlanta, GA.
33. Wren PA (September 2003). The art and science of creating health education materials. Workshop presented to the Washtenaw Area Diabetes Educators (WADE) meeting, Ann Arbor, MI.
34. Wren PA (August 2003). Drawing a map: Conducting interviews. Workshop presented at the third annual conference of the TB Education and Training Network sponsored by the Centers for Disease Control and Prevention, Atlanta, GA.

35. Wren PA (May 2003). Quality of life measurement in the Pelvic Floor Disorders Network. Paper presented at the first meeting of the University of Michigan Pelvic Floor Investigators Group, Ann Arbor, MI.
36. Wren PA (June 2002). Creating health promotion materials for low literate community partners. Presentation given at the Community Action Against Asthma (CAAA) Training Program, Ann Arbor, MI.
37. Wren PA (December 2001). Faculty perspectives on service-learning courses. Presentation given at the workshop, "Enhancing Public Health Curriculum Through Practice Based Teaching and Community Service Learning. Ann Arbor, MI.
38. Janz NK, Wren PA, Schottenfeld DA, and Guire KE (September 2001). Colorectal cancer screening: Attitudes, beliefs, and behaviors in a random sample of Michigan residents. Poster presented at the Michigan Cancer Consortium annual meeting, Novi, MI.
39. Wren PA (October 1993). Assessing and reducing women's risk for HIV. Workshop presented at the AIDS Awareness Conference, Ann Arbor, MI.
40. Wren PA and Paulson P (October 1992). Women and AIDS: How safe is safer? Workshop presented at the AIDS Awareness Symposium, Ann Arbor, MI.
41. Piontkowsky D and Wren PA (September 1992). Preparing health care providers for the legal and ethical challenges of HIV/AIDS. Workshop presented at the 2nd annual Comprehensive HIV/AIDS Mental Health Education Program Training Institute, Detroit, MI.
42. Wren PA (May 1992). Epidemiology and transmission of HIV/AIDS: Relationship to substance use. Presentation given at the East Central AIDS Education and Training Center Clinical Training, Detroit, MI.
43. Lacey J and Wren PA (March 1992). Attitudes and values clarification. Workshop presented at AIDS and Substance Use: A Series of Three Conferences, East Central AIDS Education and Training Center, Detroit, MI.
44. Ostrow DG and Wren PA (December 1991). Management of the PWH/PWA with psychiatric/neuropsychiatric problems: The CHAMHEP Training Curriculum. Workshop presented at the 1st annual Comprehensive HIV/AIDS Mental Health Education Program Training Institute, Detroit, MI.
45. Wren PA (October 1991). The paradox of women's sexuality in the AIDS era. Workshop presented at the Conference on the Cultural Construction of Sexuality, Ann Arbor, MI.
46. Wren PA (July 1990). The role of research in Schools of Education. Paper presented at the King/Chavez/Parks Summer Institute, Ann Arbor, MI.

WAYNE STATE UNIVERSITY TEACHING AND INSTRUCTION

NOTE: The following are the university's core Student Evaluation of Teaching (SET) items.

Instructors and courses are rated on a 5-point scale where 5=Excellent and 1=Poor or 5=A Great Deal and 1=Practically Nothing

Winter 2021 PH 2100 Introduction to Public Health (3 credits; 93 students)

| | |
|--|-----|
| How would you rate this course? | 4.1 |
| How much have you learned in this course? | 4.2 |
| How would you rate the instructor's teaching of this course? | 4.5 |

Fall 2020 PH 2100 Introduction to Public Health (3 credits; 99 students)

| | |
|--|-----|
| How would you rate this course? | 4.0 |
| How much have you learned in this course? | 4.3 |
| How would you rate the instructor's teaching of this course? | 4.4 |

UNIVERSITY OF MICHIGAN-DEARBORN TEACHING AND INSTRUCTION

NOTE: The following were the university's core evaluation items. Instructors and courses are rated on a 5-point scale where 5=Strongly Agree and 1=Strongly Disagree or 5=Excellent and 1=Poor

Summer 2020 HHS 200 Introduction to Public Health (3 credits; 34 students)

| | |
|--|------|
| Instructor was knowledgeable about the subject matter | 4.85 |
| Instructor was effective in teaching the course material | 4.75 |
| Instructor was effective in communicating course requirements & expectations | 4.75 |
| Instructor set high standards for student achievement | 4.95 |
| Overall evaluation of the instructor: | 4.60 |
| Overall rating of the course: | 4.45 |

Winter 2020 HHS 200 Introduction to Public Health (3 credits; 74 students)

| | |
|--|------|
| Instructor was knowledgeable about the subject matter | 4.97 |
| Instructor was effective in teaching the course material | 4.94 |
| Instructor was effective in communicating course requirements & expectations | 4.94 |
| Instructor set high standards for student achievement | 4.76 |
| Overall evaluation of the instructor: | 4.85 |
| Overall rating of the course: | 4.71 |

Fall 2019 HHS 200 Introduction to Public Health (3 credits; 89 students)

| | |
|--|------|
| Instructor was knowledgeable about the subject matter | 4.98 |
| Instructor was effective in teaching the course material | 4.94 |
| Instructor was effective in communicating course requirements & expectations | 4.84 |
| Instructor set high standards for student achievement | 4.80 |
| Overall evaluation of the instructor: | 4.80 |
| Overall rating of the course: | 4.70 |

| | | |
|--------------------|--|------|
| Summer 2019 | HHS 200 Introduction to Public Health (3 credits; 13 students) | |
| | Instructor was knowledgeable about the subject matter | 5.00 |
| | Instructor was effective in teaching the course material | 4.90 |
| | Instructor was effective in communicating course requirements & expectations | 4.80 |
| | Instructor set high standards for student achievement | 4.70 |
| | Overall evaluation of the instructor: | 4.90 |
| | Overall rating of the course: | 4.70 |
| Winter 2019 | HHS 200 Introduction to Public Health (3 credits; 35 students) | |
| | Instructor was knowledgeable about the subject matter | 5.00 |
| | Instructor was effective in teaching the course material | 4.95 |
| | Instructor was effective in communicating course requirements & expectations | 4.89 |
| | Instructor set high standards for student achievement | 4.89 |
| | Overall evaluation of the instructor: | 4.95 |
| | Overall rating of the course: | 4.79 |
| Fall 2018 | HHS 200 Introduction to Public Health (3 credits; 39 students) | |
| | Instructor was knowledgeable about the subject matter | 4.84 |
| | Instructor was effective in teaching the course material | 4.73 |
| | Instructor was effective in communicating course requirements & expectations | 4.58 |
| | Instructor set high standards for student achievement | 4.65 |
| | Overall evaluation of the instructor: | 4.72 |
| | Overall rating of the course: | 4.46 |
| Summer 2018 | HHS 200 Introduction to Public Health (3 credits; 15 students) | |
| | Instructor was knowledgeable about the subject matter | 4.88 |
| | Instructor was effective in teaching the course material | 4.88 |
| | Instructor was effective in communicating course requirements & expectations | 4.75 |
| | Instructor set high standards for student achievement | 4.88 |
| | Overall evaluation of the instructor: | 4.88 |
| | Overall rating of the course: | 4.75 |
| Winter 2018 | HHS 200 Introduction to Public Health (3 credits; 28 students) | |
| | Instructor was knowledgeable about the subject matter | 4.92 |
| | Instructor was effective in teaching the course material | 4.92 |
| | Instructor was effective in communicating course requirements & expectations | 4.69 |
| | Instructor set high standards for student achievement | 4.81 |
| | Overall evaluation of the instructor: | 4.88 |
| | Overall rating of the course: | 4.77 |
| Fall 2017 | HHS 200 Introduction to Public Health (3 credits; 37 students) | |
| | Instructor was knowledgeable about the subject matter | 4.91 |
| | Instructor was effective in teaching the course material | 4.79 |
| | Instructor was effective in communicating course requirements & expectations | 4.50 |
| | Instructor set high standards for student achievement | 4.59 |
| | Overall evaluation of the instructor: | 4.65 |
| | Overall rating of the course: | 4.45 |

| | | |
|--------------------|--|------|
| Summer 2017 | HHS 200 Introduction to Public Health (3 credits; 5 students) | |
| | Instructor was knowledgeable about the subject matter | 5.00 |
| | Instructor was effective in teaching the course material | 5.00 |
| | Instructor was effective in communicating course requirements & expectations | 5.00 |
| | Instructor set high standards for student achievement | 5.00 |
| | Overall evaluation of the instructor: | 5.00 |
| | Overall rating of the course: | 5.00 |

OAKLAND UNIVERSITY TEACHING AND INSTRUCTION

NOTE: The following were the university's core evaluation items. Instructors and courses are rated on a 5-point scale where 1=Excellent and 5=Unsatisfactory

| | | |
|--------------------|---|------|
| Fall 2016 | HS 302 Community and Public Health (4 credits; 74 students) | |
| | Overall evaluation of the instructor: | 1.32 |
| | Overall rating of the course: | 1.39 |
| | PH 600 Foundations of Health Behavior/Health Education (4 credits; 17 students) | |
| | Overall evaluation of the instructor: | 1.06 |
| | Overall rating of the course: | 1.13 |
| Summer 2016 | WHP/WGS 325 Introduction to Women's Health (4 credits; 19 students) | |
| | Overall evaluation of the instructor: | 1.00 |
| | Overall rating of the course: | 1.00 |
| | HS 302 Community and Public Health (4 credits; 32 students) | |
| | Overall evaluation of the instructor: | 1.00 |
| | Overall rating of the course: | 1.08 |
| Winter 2016 | HS 302 Community and Public Health (4 credits; 147 students) | |
| | Overall evaluation of the instructor: | 1.57 |
| | Overall rating of the course: | 1.64 |
| Fall 2015 | HS 302 Community and Public Health (4 credits; 132 students) | |
| | Overall evaluation of the instructor: | 1.44 |
| | Overall rating of the course: | 1.54 |
| | PH 600 Foundations of Health Behavior/Health Education (4 credits; 13 students) | |
| | Overall evaluation of the instructor: | 1.00 |
| | Overall rating of the course: | 1.08 |
| Summer 2015 | WHP/WGS 325 Introduction to Women's Health (4 credits; 20 students) | |
| | Overall evaluation of the instructor: | 1.00 |
| | Overall rating of the course: | 1.00 |

| | |
|--------------------|---|
| Fall 2014 | HS 302 Community and Public Health (4 credits; 131 students) |
| | Overall evaluation of the instructor: 1.24 Overall rating of the course: 1.49 |
| | PH 600 Foundations of Health Behavior/Health Education (4 credits; 11 students) |
| | Overall evaluation of the instructor: 1.10 Overall rating of the course: 1.20 |
| Summer 2014 | WHP/WGS 325 Introduction to Women's Health (4 credits; 11 students) |
| | Overall evaluation of the instructor: 1.00 Overall rating of the course: 1.00 |
| Winter 2014 | HS 302 Community and Public Health (4 credits; 156 students) |
| | Overall evaluation of the instructor: 1.10 Overall rating of the course: 1.19 |
| Fall 2013 | HS 302 Community and Public Health (4 credits; 147 students) |
| | Overall evaluation of the instructor: 1.20 Overall rating of the course: 1.35 |
| | PH 600 Foundations of Health Behavior/Health Education (4 credits; 12 students) |
| | Overall evaluation of the instructor: 1.08 Overall rating of the course: 1.25 |
| Summer 2013 | WHP/WGS 325 Introduction to Women's Health (4 credits; 18 students) |
| | Overall evaluation of the instructor: 1.00 Overall rating of the course: 1.27 |
| Winter 2013 | HS 302 Community and Public Health (4 credits; 150 students) |
| | Overall evaluation of the instructor: 1.10 Overall rating of the course: 1.19 |
| Fall 2012 | HS 201 Health in Personal, Social, & Occupational Environments (4 credits; 175 students) |
| | Overall evaluation of the instructor: 1.31 Overall rating of the course: 1.52 |
| | HS 302 Community and Public Health (4 credits; 147 students) |
| | Overall evaluation of the instructor: 1.16 Overall rating of the course: 1.32 |
| Summer 2012 | HS 302 Community and Public Health (4 credits; 40 students) |
| | Overall evaluation of the instructor: 1.00 Overall rating of the course: 1.17 |

WHP/WGS 325 Introduction to Women's Health (4 credits; 18 students)

Overall evaluation of the instructor: 1.00

Overall rating of the course: 1.27

WHP 405 Prevention of Intimate Partner Violence (2 credits; 13 students)

Overall evaluation of the instructor: 1.14

Overall rating of the course: 1.86

Winter 2012 HS 302 Community and Public Health (4 credits; 151 students)

Overall evaluation of the instructor: 1.05

Overall rating of the course: 1.17

Fall 2011 EXS 215 Stress Management (2 credits; 40 students)

Overall evaluation of the instructor: 1.10

Overall rating of the course: 1.35

EXS 215 Stress Management (2 credits; 44 students)

Overall evaluation of the instructor: 1.14

Overall rating of the course: 1.24

HS 201 Health in Personal, Social, & Occupational Environments
(4 credits; 185 students)

Overall evaluation of the instructor: 1.40

Overall rating of the course: 1.43

HS 302 Community and Public Health (4 credits; 129 students)

Overall evaluation of the instructor: 1.18

Overall rating of the course: 1.36

Summer 2011 HS 302 Community and Public Health (4 credits; 38 students)

Overall evaluation of the instructor: 1.00

Overall rating of the course: 1.24

WHP/WGS 325 Introduction to Women's Health (4 credits; 23 students)

Overall evaluation of the instructor: 1.00

Overall rating of the course: 1.00

Winter 2011 HS 302 Community and Public Health (4 credits; 138 students)

Overall evaluation of the instructor: 1.06

Overall rating of the course: 1.25

Fall 2010 EXS 215 Stress Management (2 credits; 41 students)

Overall evaluation of the instructor: 1.08

Overall rating of the course: 1.28

EXS 215 Stress Management (2 credits; 45 students)

Overall evaluation of the instructor: 1.09

Overall rating of the course: 1.34

HS 201 Health in Personal, Social, & Occupational Environments
(4 credits; 196 students)

Overall evaluation of the instructor: 1.15
