## Education

---

### 2016 – Present Ph.D. Candidate in Clinical Psychology (Minor: Clinical Neuropsychology)

Wayne State University (Detroit, MI)

- Dissertation: Title: *Predictors of Cognitive Reserve in Multiple Sclerosis*
  - Oral Examination Passed on June 24, 2020
  - Advisor: Lisa J. Rapport, PhD
- Master's Thesis: *The Influence of Religion and Spirituality on Health Outcomes in Multiple Sclerosis.*
  - Advisor: Lisa J. Rapport, PhD

### 2014 – 2016 Master of Science (MS) in Neuroscience

Carleton University (Ottawa, ON)

- Master's Thesis: *A Neuroeducational Approach to Defining Comorbid Math & Reading Disabilities*
  - Advisor: Amedeo D'Angiulli, PhD

### 2010 – 2013 Bachelor of Science (BS) in Biology (Neuroscience Emphasis)

Andrews University (Berrien Springs, MI)

- Undergraduate Thesis: *Cognitive Effort and Pupillometry during Narrative Comprehension.*
  - Advisor: Karl Bailey, PhD

## Clinical Training

---

### 2019 – Present Neuropsychology Practicum Trainee

Rehabilitation Institute of MI (Detroit, MI)

Department of Rehabilitation Psychology & Neuropsychology

- Rotation 1: Geriatric Outpatient Neuropsychological Assessment
  - Supervisor: Tanya Sherman, Ph.D., ABPP-CN
  - Caseload: 2 outpatient assessments per week (24 hours per week)
  - Duties: Conducting clinical interviews, administering neuropsychological test batteries, writing integrated assessment reports, participating in weekly didactic lectures
  - Patient populations: Mild cognitive impairment, Alzheimer's disease, vascular dementia, stroke, traumatic brain injury, neurodegeneration with brain iron accumulation

- Rotation 2: Outpatient Neuropsychological Assessment
  - Supervisor: Stephen Vangel, PhD
  - Caseload: 2 outpatient assessments per week (24 hours per week)
  - Duties: Conducting clinical interviews, administering neuropsychological test batteries, writing integrated assessment reports, participating in weekly didactic lectures
  - Patient populations: Mild cognitive impairment, stroke, HIV
  
- Rotation 3: Inpatient Neuropsychological Assessment & Psychotherapy
  - Supervisors: Robin Hanks, Ph.D. ABPP-CN, Thomas Gola, Ph.D.
  - Caseload: 3 inpatient assessments, 1 outpatient assessment, and 2 psychotherapy sessions per week (24 hours per week)
  - Duties: Conducting clinical interviews, administering neuropsychological test batteries, writing integrated assessment reports, participating in weekly didactic lectures
  - Patient populations: Traumatic brain injury, stroke
  - Therapeutic modalities: Cognitive-Behavioral Therapy (CBT), Acceptance & Commitment Therapy (ACT)

### **2018 – Present    Therapy Practicum Trainee**

Wayne State University Psychology Clinic (Detroit, MI)

- Individual Psychotherapy
  - Supervisors: Marla Bartoi, Ph.D., Douglas Barnett, Ph.D., Mark Lumley, Ph.D.
  - Caseload: 2 individual psychotherapy sessions per week
  - Therapeutic modalities: Acceptance and Commitment Therapy (ACT), Dialectical Behavior Therapy (DBT), Motivational Interviewing (MI)
  
- Group Psychotherapy
  - Co-leader of the Support Group for adult stroke and aphasia patients.
  - Co-leader of the Dialectical Behavior Therapy (DBT) Group for adults with borderline personality disorder.
  
- Supervision Training
  - Supervising a graduate clinician in psychotherapy
  - Participating in monthly didactic lectures
  - Co-Supervisor: John Woodard, PhD

### **2018 – 2019    Neuropsychology Practicum Trainee**

Beaumont Hospital-Dearborn (Dearborn, MI)

Department of Physical Medicine and Rehabilitation

- Rotation 1: Outpatient Neuropsychological Assessment
  - Supervisor: P. Tyler Roskos, Ph.D. ABPP-CN
  - Caseload: 1-2 outpatient assessments per week (16 hours per week)
  - Duties: Conducting clinical interviews, administering neuropsychological test batteries, writing integrated assessment reports.

- Patient populations: Epilepsy, traumatic brain injury, stroke, mild cognitive impairment, Alzheimer's disease, frontotemporal dementia
- Rotation 2: Inpatient Neuropsychological Assessment
  - Supervisor: P. Tyler Roskos, Ph.D. ABPP-CN
  - Caseload: 2-3 inpatient evaluations per week
  - Duties: Administering neuropsychological evaluations, writing integrated assessment reports, participating in monthly didactic lectures and case conferences

**2017 – 2018****Assessment Practicum Trainee**

Wayne State University Psychology Clinic (Detroit, MI)

- Supervisors: Douglas Barnett, Ph.D., Lisa J. Rapport, Ph.D., Marilyn Franklin, Ph.D., Marla Bartoi, Ph.D.
- Duties: Administering neuropsychological and psychoeducational assessments, writing integrated assessment reports, conducting feedback sessions, participating in weekly case conferences
- Patient populations: Dementia, dyslexia, ADHD, PTSD, Major Depressive Disorder

**Research Experience**

---

**2017 – Present    Research Assistant**Wayne State University Department of Neurology (Detroit, MI)  
Multiple Sclerosis Treatment and Clinical Research Center

- Administering neuropsychological assessments to individuals with multiple sclerosis in vivo and via telehealth.
- Programming self-report measures using Qualtrics for iPad.
- Supervisor: Evanthia Bernitsas, MD

**2014 – 2016    Research Assistant**Carleton University, Department of Neuroscience (Ottawa, ON)  
Neuroscience of Imagination, Cognition, and Emotion Research (NICER) Lab

- Evaluating the utility of a wireless 14-electrode EEG headset for detecting emotional states in comparison to standard 32-electrode EEG systems.
- Examining the neuropsychological correlates of dyslexia and dyscalculia.
- Supervisor: Amedeo D'Angiulli, PhD

**2011 – 2013    Research Assistant**Andrews University, Behavioral Sciences Department (Berrien Springs, MI)  
Cognitive Psychology Lab

- Using eye-tracking and pupillometry to investigate cognitive load and emotion perception.
- Supervisor: Karl D. G. Bailey, Ph.D.

## **Publications**

---

**Grant, J.G.**, Siegel, L., D'Angiulli, A. (In press). From schools to scans: A neuroeducational approach to comorbid math and reading disabilities. *Frontiers in Public Health: Children and Health*.

Buchanan, D. M., **Grant, J.G.**, & D'Angiulli, A. (2019). Commercial wireless versus standard stationary EEG systems for personalized emotional brain-computer interfaces: a preliminary reliability check. *Neuroscience Research Notes*, 2(1), 7-15.  
<https://doi.org/10.31117/neuroscirn.v2i1.21>

## **Posters Presentations**

---

Darling, R., **Grant, J.G.**, Rapport, L.J., & Bernitsas, E. (2020, April) *Race, Resilience, and Multiple Sclerosis Outcomes*. 2020 Annual Meeting of the American Academy of Neurology, Toronto, ON (Conference Cancelled).

**Grant, J.G.**, Rapport, L.J., Bernitsas, E., Waldron-Perrine, B.R., & Darling, R. (2020, February). *Desert Island Battery to Screen for Cognitive Impairment in Multiple Sclerosis*. 2020 Annual Meeting of the International Neuropsychological Society, Denver, CO.

**Grant, J.G.**, Rapport, L.J., Bernitsas, E., Waldron-Perrine, B.R., & Darling, R. (2019, February). *Existential Well-Being Predicts Health Outcomes in Multiple Sclerosis*. 2019 Annual Meeting of the International Neuropsychological Society, New York, NY.

Brown, A., **Grant, J.G.**, Waldron-Perrine, B.R., Darling, R., Bernitsas, E., & Rapport, L.J. (2018, November). *Resilience and Coping Style Predict Health Outcomes in Multiple Sclerosis*. Annual Biomedical Research Conference for Minority Students, Indianapolis, IN.

**Grant, J.G.**, Siegel, L.S., & D'Angiulli, A. (2015, September) *Dyslexia & Dyscalculia; A Neuropsychological Model of Co-Morbidity*. Poster presented at the 2015 NeuroDevNet Brain Development Conference, Ottawa, ON, Canada.

**Grant, J.G.** & Bailey, K.G.D. (2013, May) *Cognitive Effort & Pupillometry during Narrative Comprehension*. Poster presented at the 85<sup>th</sup> Annual Meeting of the Midwestern Psychological Association, Chicago, IL.

## **Competitive Research Funding**

---

<b>2020</b>	<b>Ben and Brenda Rosen Annual Research Award</b> Research grant awarded by the Wayne State University in recognition of high-quality dissertation research by a graduate student.	<b>\$2,500</b>
<b>2019</b>	<b>Betty J. Neitzel Summer Graduate Student Research Award</b> Summer research fellowship awarded by the Wayne State University Department of Psychology to support research productivity in the Summer 2019 semester.	<b>\$4,000</b>
<b>2018</b>	<b>Blue Cross Blue Shield of Michigan Foundation Student Award</b> <i>Predictors of Cognitive Reserve in Multiple Sclerosis.</i> (J. G. Grant, PI). 9/2018 –9/2019 2494.SAP. Research grant awarded to support medical and doctoral students in Michigan who aim to improve health care within the state.	<b>\$3,000</b>

## **Honors and Awards**

---

<b>2019</b>	<b>Fellowship Application Award</b> Awarded by the Wayne State University Graduate School in support of an external fellowship application.	<b>\$1,000</b>
<b>2019</b>	<b>Wayne State University Graduate Student Travel Award</b> Awarded by the Wayne State University Department of Psychology in support of a poster presentation at the 2020 Annual Meeting of the International Neuropsychological Society.	<b>\$350</b>
<b>2019</b>	<b>Award for Graduate Students who Obtain External Support</b> Awarded by the Wayne State University Department of Psychology in recognition of the receipt of external funding.	<b>\$350</b>
<b>2018</b>	<b>Wayne State University Graduate Student Travel Award</b> Awarded by the Wayne State University Department of Psychology in support of a poster presentation at the 2019 Annual Meeting of the International Neuropsychological Society.	<b>\$350</b>
<b>2015</b>	<b>Carleton University University Graduate Student Travel Award</b> Awarded by the Carleton University School of Graduate Studies in support of a poster presentation at the 2015 NeuroDevNet Brain Development Conference.	<b>\$525</b>
<b>2014</b>	<b>Carleton University Department of Neuroscience Scholarship</b> Awarded by the Carleton University Department of Neuroscience in recognition of excellent research potential and academic achievement.	<b>\$4,950</b>

## **Teaching**

---

### **2018 – Present    Lecturer**

Wayne State University, Department of Psychology (Detroit, MI)

- Independent instructor for undergraduate psychology courses.
- Courses taught:
  - PSY1010 Introductory Psychology (Summer 2018, Summer 2020)
  - PSY3310 Abnormal Psychology (Fall 2020)

### **2018 – 2020    Clinic Teaching Assistant**

Wayne State University Psychology Clinic (Detroit, MI)

- Training first-year graduate students to conduct semi-structured clinical interviews and write integrated assessment reports.
- Training first-year graduate students to administer, score, and interpret:
  - measures of intellectual functioning (WAIS-IV, WISC-V, WJ-IV),
  - measures of academic achievement (WRAT5, WIAT-III, WJ-IV), and
  - measures personality/psychopathology (MMPI-2, MCMI-IV, BSI, NEO-PI-R, TAT, and Rorschach Inkblot Test).
- Conducting phone intake interviews for potential assessment and psychotherapy patients.
- Assigning assessment and psychotherapy patients to second, third, and fourth-year graduate students.
- Coordinating intake interviews and managing the waitlists for two Dialectical Behavior Therapy (DBT) Skills Groups.
- Courses taught:
  - PSY7200 Psychological Assessment I Lab (Fall 2018, Fall 2019)
  - PSY7200 Psychological Assessment II Lab (Winter 2019, Winter 2020)

### **2017 – 2018    Head PSY1010 Teaching Assistant**

Wayne State University, Department of Psychology (Detroit, MI)

- Training graduate students to teach PSY1010 Introductory Psychology Lab.
- Designing innovative in-class experiments to illustrate course material.

### **2016 – 2017    Graduate Teaching Assistant**

Wayne State University, Department of Psychology (Detroit, MI)

- Courses taught:
  - PSY1010 Introductory Psychology Lab (Fall 2016, Winter 2017)
  - PSY3020 Research Methods in Psychology (Summer 2017)

### **2014 – 2016    Graduate Teaching Assistant**

Carleton University, Department of Neuroscience (Ottawa, ON)

- Courses taught:
  - NEUR2200 Biological Foundations of Behavior (Winter 2016)
  - NEUR2001 Research Methods in Psychology (Fall 2015)
  - NEUR3403 Stress & Mental Health (Fall 2014)

## **Leadership Activities**

---

- 2019 – Present**    **Founding Member & Co-Representative**  
Wayne State University's Association of Neuropsychology Students in Training (ANST) Interest Group (Detroit, MI)
- Planning monthly meetings for neuropsychology trainees in the Wayne State University Clinical Psychology Ph.D. program.
  - Meeting topics have included: case conferences, practicing neuropsychological test administration, career guidance, preparing internship applications, and practicing research presentations.
- 2018 – Present**    **Web Manager & Workshop Coordinator**  
Caught Up Mentoring (Detroit, MI)
- Managing web content and designing a mobile user interface.
  - Teaching college preparation skills to incarcerated youth (ages 13-18) at two juvenile detention centers in Detroit.
- 2011 – 2013**        **Sports Editor**  
*The Student Movement*, Andrews University (Berrien Springs, MI)
- Lead writer for intercollegiate and intramural athletics for the Andrews University student newspaper.
  - Planning the newspaper layout to meet weekly publication deadlines.

## **Volunteer Activities**

---

- 2018 – Present**    **Deputy Director**  
City Temple Nighthawks Pathfinder Club (Detroit, MI)
- Teaching camping skills, drilling and marching, and healthy living principles to children ages 10-16.
- 2013 – 2016**        **Deputy Director**  
Ottawa Moriah Pathfinder Club (Ottawa, ON)
- Teaching camping skills, drilling and marching, and healthy living principles to children ages 10-16.
  - Planning and executing fundraising events, including an annual Talent Show, Bake Sale, and a Flag Football Tournament.
- 2013 – 2014**        **Volunteer**  
Ottawa-Carleton Detention Center (Ottawa, ON)
- Assisting with religious services for incarcerated adults.
- 2013 – 2014**        **Personal Support Volunteer**  
The Ottawa Hospital-Civic Campus (Ottawa, ON)
- Providing social support to inpatients with neurological disorders.
  - Assisting nursing staff with meal delivery and patient transportation.
    - Supervisor: Denise Hawken (Neurosciences Inpatients Level 7)
