Invited

- Sarah Lawrence College Guest Lecture October 2012
Invited Speaker – “Trauma, Loss, and Resilience”
- Sarah Lawrence College Guest Lecture February 2012
Invited Speaker – “Scanning the Brain”
- Senior Thesis, Sarah Lawrence College September 2009 – May 2010
“The Behavior of a Memory: An Interdisciplinary Study of Autobiographical Remembering Applying Cognitive Psychology and Oral History”
- New School for Social Research Memory Conference March 2010
Invited Speaker – “Purposes of the Past in Later Life”

CLINICAL WORK EXPERIENCE

- The New School Student Health Services** September 2017 – May 2019
Mindfulness Facilitator – Conducting individual mindfulness sessions with students.

Good Shepherd Services Marian Hall Group Residence June 2016 – June 2017
Case Planner – Working with adolescent women and their families to establish permanency and a path towards family reunification

National Geographic Student Expeditions Summer 2016
Co-leader – Working with a team of instructors to lead a high school student photography expedition through Yellowstone National Park

Josephine Herrick Project September 2015 – June 2016
Teacher – Working with community organizations to teach photography

Child Mind Institute September 2010 – April 2011
Clinical Staff Associate to the Learning and Diagnostics Team – Liaison between patient and doctor
Tasks include: conducting patient intake interviews, and scoring neuropsychological tests

RESEARCH ASSISTANTSHIPS

The New School Trauma and Affective Psychophysiology Lab November 2017 – August 2019
Research Assistant – developing and running behavioral and psychophysiological experimental paradigms, conducting clinical interviews, participant recruitment, IRB protocol development, grant writing, data analysis, and manuscript preparations. Program evaluation for surfing therapy intervention for children exposed to trauma and community violence in Cape Town, South Africa.

The Center for Optimal Living August 2018 – Present
Research assistant to Dr. Andrew Tatarsky with a focus on integrative harm reduction psychotherapy

NYU Langone Medical Center, Psychiatry Department October 2017 – October 2018
Research Assistant for RESET, a stress reduction training program for medical residents

NYU Langone Medical Center, Psychiatry Department February 2013 – October 2014
Research Coordinator – coordinating research studies, developing and running experimental paradigms, participant recruitment, IRB protocol development, grant writing, data analysis, and manuscript preparations

NYU School of Law Center for Human Rights and Global Justice January 2013 – October 2014
Research Consultant

NYU Langone Medical School Cognitive Neurophysiology Laboratory June 2011 – February 2012
Research Assistant – Neuroimaging analysis

Yale University Health Emotion and Behavior Lab Summer 2010
Researcher Assistant for the Emotional Literacy in the Classroom project

Sarah Lawrence College Infant Developmental and Environment Analysis Lab September 2009 – May 2010
Research Assistant – Advisor, Kim Ferguson, Ph.D.

OTHER WORK EXPERIENCE

Wayne State University May 2020 – August 2020
Adjunct Teacher

Wayne State University August 2019 – May 2020
Graduate Teaching Assistant

The New School September 2018 – December 2018
Teaching Assistant

New York Magazine September 2015 – September 2017
Freelance Photo Editor for *The Cut*

VOLUNTEER EXPERIENCE

Wayne State Psychology Clinic, Dialectical Behavior Therapy Skills Group September 2020 - Present
Co-Leader

The Addiction Institute of Mount Sinai August 2018 – June 2019

Extern – Responsibilities include intake evaluations, individual and group therapy

International Center of Photography Community Programs April 2015 – June 2016
 Teaching Assistant – Coordinating programs and assisting in technical and conceptual photography skills development

New School for Social Research Psychology Department October 2011 – January 2013
 Research Assistant – Studies in autobiographical memory

Fountain House April 2012 – December 2012
 Intern – Providing job skills training to persons with mental illness

NYU Phelps Lab, Department of Psychology September 2011 – February 2012
 Research Assistant – Administering neuropsychological assessments, scoring and evaluating neuropsychological tests

WNYC's Radio Lab Summer 2010
 Intern – Audio editing

AWARDS AND HONORS

Thomas C. Rumble University Graduate Fellowship, Wayne State University, 2020-2021
The International Society for the Study of Trauma and Dissociation Caul Research Grant, Received July 2018
The New School for Social Research Merit Scholarship, Received March 2017
ICP Director's Scholarship, Received February 2015

SKILLS

Noldus FaceReader, Pupillometry, Heart Rate Variability, Skin Conductance, Respiration and Electromyography data collection using Biolab, cleaning and analysis with Mindware, E-Prime, Emotiv EEG, emWave, Qualtrics.com, MechanicalTurk.com, SPSS, Microsoft Office (all programs), UNIX, Linux, administration and scoring of the CAPS, Neuropsychological Assessment Tests- WAIS-IV, WASI, BNT, COWA, CVLT, WCST, REY, BVMT, TMT, FreeSurfer Morphometric Analysis, Certified in the Classroom Assessment Scoring System, Adobe Photoshop, Website Design, Transcription, Audio Recording, Audio Editing
